Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO)

- For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is allowed in all classes. Participation in FEO is non-qualifying. FEO runs will be marked in the Trial Catalog as Absent ("ABS").
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered at any level (Novice, Open Excellent or Masters) in FAST, JWW, Standard or Premier classes. If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.
- Course time for FEO in Time 2 Beat, JWW, Standard, Premier and ISC will be 45 seconds. FAST courses times for each class/height are as noted in the Regulations.

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

Breakfast/Lunch

Breakfast items and lunches will be provided only for the workers. No lunches provided for half-day trials. There are some fast food restaurants within driving distance of the park.

Dogs Moved to Different Level Class

A dog which has been entered in a Novice "A" class for which it is not eligible to be entered in due to class restrictions on the dog or handler may be moved to the Novice "B" class under the following conditions: The request for the move must be in writing and presented to the superintendent or trial secretary at least 30 minutes prior to the start of each trial. The request must state the reason and justification for the move from a Novice "A" class to the Novice "B" class.

Jump Height Change

Effective February 1, 2017 - If a VMO or Field Representative at a trial measures a dog into a height other than what they entered, the entry may be changed from Regular to Preferred or from Preferred to Regular, as long as the dog has not run any classes that day. If the dog has already run, the change may be made for the next trial day(s). The exhibitor must provide the Trial Secretary the AKC Agility Measurement Form when requesting the class change.

Class correction

After the close of entries a dog may be moved down in their class level (ie, Master to Excellent). The request for the move to the class for which the dog is eligible must be in writing and submitted to the superintendent or trial secretary at least 30 minutes prior to the start of the trial.

Move-Ups

Dogs may be moved up to a higher class at the request of the owner, as a result of qualifying for an agility title, provided that a written request is made to the Trial Secretary no later than 9pm on Monday before the trial. If the deadline is not met, you must use the day-to-day move up procedure.

Day to Day Move-ups will be allowed

The request for moving up can be made in writing at the trial site to the Trial Secretary not later than the day preceding the event provided the Trial Secretary receives them by the end of the trial day. Day-to-day move-ups **may** be requested via email. It is permissible for an exhibitor to request a day-to-day move-up in person for the following day on a trial day of which he/she did not show their dog. The exhibitor may have someone else on-site fill out/sign the form as their representative.

Prizes and Awards

Ribbons will be awarded to the 1st through 4th place dog in each jump height in each class. Qualifying ribbons will be awarded to all qualifiers.

Course Familiarization and Warm Ups

Handlers in all classes are permitted to walk the course, without a dog, prior to the start of each class. A warm-up area, consisting of a regulation agility jump, shall be provided for all exhibitors. There will be no contact obstacle familiarization for Novice.

Eligibility

All dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds are eligible to participate.

Heights/Height Cards Information

MEASURING and HEIGHT CARD INFORMATION

All exhibitors should obtain a copy of the Regulations for Agility Trials by contacting the American Kennel Club by email at info@akc.org, or on their website at www.akc.org.

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Preferred Class

Any dog (at least 15 months old – see Eligibility requirements above) may enter Preferred Classes. A dog entered in Preferred will jump 4" lower than it's regular jump height and have 5 seconds in time added to the regular Standard Course Time. Dogs in the Preferred Class must jump their Preferred jump height. . Dogs are allowed to switch back and forth between the Preferred classes and the Regular classes, but not at the same set of trials. This change may not be made after the close of entry for a trial.

Safety, Behavior, and Liability

- This trial will be conducted under the American Kennel Club Regulations for Agility Trials. For copies of the Regulations visit AKC website online at: www.akc.org.
- The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The host club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children.
- Host club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the host club or any official thereof.
- Dogs may arrive any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused.
- Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.
- Exhibitors are responsible for being at the ring gate when it is their turn to run. It is the exhibitor's responsibility to inform the gate stewards of possible conflicts before their turn.
- Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. No dogs allowed in the restrooms. Please pick up after your dogs.
- **All dogs must be on leash at all times, except when in the ring or when in designated warm-up areas.**

Refunds

- Full entry fees will be refunded if an entry is pulled before the closing date/time.
- Entry fees will not be refunded in the event that a dog is absent, disqualified, excused or barred from competition by action of the Trial Committee.
  No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbance, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee.
- No refunds for overpayment of entry fees will be made for $10.00 or less.
- Refunds for bitches that come into season after the close of entries: All entry fees less $10 will be refunded if requested for the bitch in season if the Trial Secretary receives WRITTEN notice of withdrawal no later than one half hour prior to the start of the first class of the day of the trial. A letter from your veterinarian may be required. Bitches in season will not be allowed on AKC showground.
- Refunds for injured dog or handler: 50% of entry fees will be refunded for a dog or handler that has a note from their veterinarian or doctor saying they cannot participate in the show. The note must be sent to the trial secretary before the first day of the trial.

INSTRUCTIONS

Handlers whose dogs measure into the 8” through 20” regular jump height divisions may opt to enter in a higher or 24-choice **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24” regular jump height division may not enter 24-choice. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or *back-to-back trials* only. If a measurement is necessary, it is the exhibitor’s responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners Program℠** may be eligible to enter all-breed AKC agility trials at the club’s option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
